## Motion about **The Unicorn**

**About:** New name for The Unicorn

**Mover:** Axel Axelsson

### **Background:**

In our trinity we have Skalman, Rolf-Christina, and The Unicorn. Skalman and Rolf-Christina have clear names but The Unicorn has no actual name. Therefore I think we should give them a name and since we have many Axel's in the guild, The Unicorn should be called Axel.

### **Proposal:**

I plead that the Guild Assembly decides;

*to*

Officially name The Unicorn Axel.

**The red text should be changed to your motion's text and if you are still unsure about how it should be written you can check the meeting documents from old Guild Assemblies.**
